2011 WORKING ARTIST PROGRAM NOTICE

On Tuesday January 11, 2011 Market Square will be accepting applications for the 2011 Working Artist Program between the hours of 11am and 4pm in the Administrative Office located upstairs of the El Mercado Building.

A copy of the updated application, Program Policies and Guidelines and other pertinent information relating to the Working Artists Program can be picked up at the Administrative office between the hours of 11am and 4pm beginning January 3rd through January 11, 2011 or you may access a copy at www.marketsquaresa.com. As you were informed last year, the updated Working Artist Program will include the requirement for local, state and federal criminal background checks and a certificate of insurance in an effort to be consistent with other downtown vending programs.

All current and new artists interested in applying for the 2011 Working Artists Program must provide photos/samples of artwork with the application. Upon review and approval, the Market Square Facilities Operations Coordinator will contact you for an interview with the reviewing committee.

If additional information is needed, please call our office at 207-8602.

Sincerely

Beverly Budd
Facilities Operations Coordinator
